TOUCHING LIVES, MAKING A DIFFERENCE

New Hanover Regional

MEDICAL CENTER FOUNDATION

We all have a hand in the health of our community.

New Hanover Regional Medical Center Foundation, Inc. was established in 1991 to address the increasing challenges faced by the medical community. A volunteer Board of Directors is responsible for guiding the Foundation, while a staff of six is responsible for daily operations.

The Foundation is a separate, non-profit organization originally created to serve New Hanover Regional Medical Center. New Hanover Health Network is now the umbrella organization for New Hanover Regional Medical Center, Cape Fear Hospital, Pender Memorial Hospital, Coastal Rehabilitation Hospital, Lower Cape Fear Hospice and LifeCareCenter, New Hanover Regional EMS and The Oaks Behavioral Health Hospital.

During its first twelve years of operation, **the Foundation has provided more than \$8.4 million to the network's programs and services.** In its thirteenth year, the Foundation continues to raise funds to support special projects that go above and beyond traditional health care.

Programs

The Board of Directors, Foundation staff and Foundation volunteers promote and raise funds to support the medical center. The Foundation's work has led to the creation and continuing success of many programs and services now available at New Hanover Regional Medical Center and in our community.

Programs supported by the NHRMC Foundation include:

Healing Arts Network, Coastal Rehabilitation Hospital and Women's and Children's Services are just a few of the programs and services available that benefit from the work of the NHRMC Foundation.

Cape Fear Hospital

Home to New Hanover Health Network's Orthopaedic Center

Coastal Heart Center

Offering the only full service heart center in the region

Coastal Rehabilitation Hospital

Programs include acute care, inpatient services, day programs and outpatient services

Compassionate Care

A fund for patients and staff in need of basic necessities

Employee Education

A fund used to provide opportunities for staff to keep up-to-date with the latest technologies and treatment

Lower Cape Fear Hospice and LifeCareCenter

An affiliate of New Hanover Health Network, Hospice provides professional health care and comfort to the terminally ill

Hospitality House of Wilmington

Provides lodging and support services to patients and families in medical crisis

NHRMC Foundation & Endowments

Unrestricted donations are placed here and distributed where the needs are greatest

Nursing Resources Fund

Provides educational opportunities to the nurses of New Hanover Health Network

Spiritual Care Program

Offers patients, families and staff spiritual support in coping with the stress of hospitalization and caring for the sick

Pender Memorial Hospital

Under New Hanover Health Network management, Pender Memorial Hospital provides acute care to residents of Pender County and the surrounding region

Pink Ribbon Project

A program dedicated to supporting and comforting women undergoing treatment for cancer, which includes the distribution of the Pink Ribbon bags

Surgical & Clinical Programs

Provide assistance to surgical and clinical areas with needs for equipment and education

Healing Arts Network

Helps patients with chronic or life-threatening illness cope with their condition through art therapy; the therapies complement traditional medical services

The Oaks Behavioral Health Hospital

Psychiatric hospital that provides inpatient and outpatient programs for adults

Women's & Children's Services

Includes clinics for prenatal care, inpatient women's unit, family birthplace, neonatal intensive care unit and pediatrics

VitaLine

Providing 24-hour free, prompt, confidential access to health information over the telephone from experienced nurses and professionally trained staff

Zimmer Cancer Center

Offers outpatient services, treatment, education and support programs, including the Coastal Care Van

Bill Wright Award

In November 2002, NHRMC lost a dear friend and staunch supporter, Bill Wright. Bill passionately supported the Foundation's mission by being an enthusiastic, dedicated and energetic volunteer.

The best portion of a good day is his little, nameless, unrem

To honor Bill's time and his dedication to helping others, NHRMC Foundation instituted the Bill Wright Award in May 2003. This award is presented to the person or persons who best represent Bill's spirit of volunteerism and good sportsmanship.

The inaugural Bill Wright Award was presented to Chick and Marty Young. Chick and Marty have volunteered for the Coastal Classic for eleven years. The Youngs were deeply moved to be the first recipients of the Bill Wright Award. "Just to have our names associated with Bill and Lyndia Wright is a great honor."

Marty (l) and Chick (r) Young's hard work and enthusiasm make being a part of the Coastal Classic fun for everyone!

It's wonderful when a corporation is a good citizen in its community.

First Citizens Bank has been a leading supporter of the NHRMC Foundation since its inception by providing board leadership, financial support, volunteers and publicity. This follows First Citizens' core belief in giving back to local communities.

Knowing that a first-rate medical facility is essential to the quality of life in southeastern North Carolina, First Citizens has partnered with the Foundation to raise money for programs that have an immediate and direct impact. It was instrumental in raising funds to start Easy Street®, a "village" for those facing the challenges of physical rehabilitation. It also helped to fund the Coastal Care Van, a mobile health clinic that provides cancer screenings to those who might not otherwise have access.

First Citizens has been the presenting sponsor of the Coastal Classic for twelve years. This celebrity golf tournament has raised more than \$1.25 million to support special projects on behalf of the NHRMC Foundation. Funds from the Coastal Classic were used to buy much-needed equipment for the hospital's Neonatal Unit. And, Wilmington was the first community in the state to provide defibrillators in all public schools, thanks to funding from this event.

Rob Norris, First Citizens Bank area executive, is a tireless supporter and familiar face at Foundation events.

History of Funding

Past projects and special events organized by New Hanover Regional Medical Center Foundation — including the Coastal Classic Celebrity Golf Tournament, Pink Ribbon Luncheon and Supper and the Founder's Gala — contribute enormously to the continued success of the network and its various programs and services. Since its work began, **the NHRMC Foundation's special events and other fund-raising efforts have contributed more than \$8.4 million to the network and its mission.**

*The best portion of a good man's life,
his little, nameless, unremembered acts of kindness and of love.*

William Wordsworth

Easy Street® (Coastal Rehabilitation Hospital)

An unique rehabilitation environment built for patients to experience and learn to deal with the physical and cognitive challenges of everyday life in realistic settings.

Cardiac Rehabilitation Program

Patients with heart disease or known risk factors participate in monitored exercise sessions, dietary counseling, stress management techniques and ongoing educational programs.

Pediatric Department

The 26-bed Pediatric Unit is designed and dedicated to the care of sick children and adolescents.

Coastal Care Van (Zimmer Cancer Center)

The mobile cancer detection unit brings health education and screenings to people throughout southeastern North Carolina. It has provided cancer screenings for more than 5,000 people since April 1998, many who would otherwise have had no access to these services.

Coastal Consumer Health Library

Located in the main branch of New Hanover County Public Library, it's designed to help people find the health information they need for themselves or a loved one.

Visual Therapy for Cancer Patients (Zimmer Cancer Center)

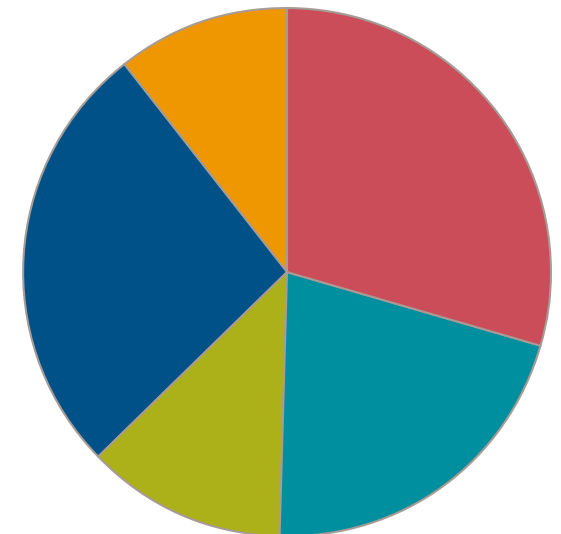

Providing specially designed and installed photographs to help soothe and comfort patients while undergoing cancer treatment in the Zimmer Cancer Center.

Neonatal Intensive Care Unit

One of 12 such units in the state, it provides care to our regions most critically ill and premature newborns.

Coastal Heart Center

Provides aid through cardiac patient treatment, community outreach, cardiac and pulmonary rehabilitation and preventive education.

Cardiac Services	\$409,383
Cancer Services	\$290,773
Women's & Children's Services	\$169,889

Founder's Gala is an evening of fine food and entertainment to be held at Thalian Hall on January 28, 2005. This year's beneficiary is Pediatric Services.

Coastal Classic Celebrity Golf Tournament celebrates its thirteenth year at Landfall. Join us May 13-15, 2005, for golf and entertainment. Pediatric Services will benefit from the proceeds this year.

Employee Campaign is an annual campaign to educate NHRMC employees about hospital programs funded by the Foundation.

Pink Ribbon Luncheon and Supper is a tradition you'll want to be a part of! It's held in October at the Holiday Inn Sunspree Resort and benefits cancer services.

Holiday Reception at the Graystone Inn is a great way for donors of \$1,000 or more to gather and celebrate the season.

Frances Weller, news anchor for WECT-TV 6 faithfully emcees the Pink Ribbon Luncheon and Supper. **Brad Vass** takes a plunge during the fun-filled employee campaign kick-off. **Mr. and Mrs. Thomas Avery** at the Holiday Reception. **Alan Zimmer** and **Charles Wells** spread holiday cheer. Anchors Away Gala guests include **Dr. Sam Spicer** and **Dr. and Mrs. R. Bertram Williams, Jr.** **Nancy Marks** and **Millie Alper** share conversation during the Pink Ribbon luncheon. Celebrities like **Arte Johnson** and **Janie Fricke** entertain participants and supporters on and off the course throughout the weekend of the Coastal Classic.

Peggy Brummitt

As a self-described “do-gooder,” Peggy loves to be involved in programs that give to her community.

Peggy first got involved with New Hanover Health Network when her late husband, Doyle, underwent dialysis, followed by a kidney transplant, and eventual enrollment in the Cardiac Rehabilitation program after having bypass surgery.

When Doyle passed away, Peggy decided to support NHRMC by being a sponsor of the 1994 Coastal Classic Celebrity Golf Tournament. She has played every year, except for the year that she was the Chairperson for the tournament. She then went on to join the Foundation Advisory Board and to become a member of the NHRMC Foundation Board of Directors. Her enthusiasm, energy and perseverance are infectious.

Peggy wants to help publicize the good work done by the network and the Foundation. As Peggy says, “I have thoroughly enjoyed the privilege of serving on the Board.”

*The place to
own*

The path of her life brought community volunteer **Peggy Brummitt** to the network and eventually to the Foundation's Board of Directors.

Delaney Radiologists

In partnership with New Hanover Regional Medical Center Foundation since 1993, Delaney Radiologists has been a leading advocate for improving the quality of health care in our community. The generous support it has provided to NHRMC Foundation fund-raising events over the past 11 years has contributed to the Foundation's success.

if we join hands.

Aung San Suu Kyi

Dr. Stuart W. Point, a physician with Delaney Radiologists and NHRMC Foundation board member, has first-hand knowledge of the Foundation and the services it provides.

"Delaney Radiologists has a professional responsibility to the network. As citizens of the community, we understand the need for the highest quality care and the role that the Foundation plays in bringing that level of care to our patients. The Foundation provides needed funding that enhances the facilities and services of New Hanover Regional Medical Center; funding that is not included in the hospital budget." In his role as a member of the Foundation Board of Directors, Dr. Point feels it is his responsibility to enhance the visibility of the organization and to encourage financial support from others in the community.

Stuart Point, M.D. is an important link in the relationship between Delaney Radiologists, the network, the Foundation and the community.

It's in your hands.

Listed on the pages that follow are the names of those who have given graciously of their time, effort and resources to make the work of the Foundation the success it is today. The demands are great, and there's always work to be done. Health care delivered with humanity requires the effort of an entire community. Gifts to the Foundation benefit New Hanover Health Network's programs and services and make possible those special touches we want for ourselves and our loved ones.

Margaret Graham and James Walker understood long ago the importance of supporting community health care. Their legacy lives on today.

A Proud History of Giving

This community has a long history of supporting charitable organizations and promoting health care in the region. The Foundation named the various fund levels after those who paved the way in medicine and philanthropy.

James Walker built the U.S. Marine Hospital, then donated money for the building of a new hospital, and Margaret Graham, a nurse, established a \$123,000 compassionate care fund. They are excellent examples for us to live by. Margaret Graham saw the importance of planning and the necessity of reaching out to others. The fund she created helped those who couldn't pay for medical needs, specifically nurses. Today, her fund is available to staff and patients with critical needs.

Planned Giving

For 9 years, Louis Shrier worked as a beloved volunteer at NHRMC and was well known for his dedication and commitment to the hospital and its fund-raising foundation. Mr. Shrier wanted to make a difference in the hospital he devoted so many hours. He decided to specify in his will that his estate would go to NHRMC Foundation to be used where it is needed most. Upon his death in 2002 he left the largest gift ever received by the Foundation. His unrestricted gift of \$245,000 became the Louis W. Shrier Memorial Fund. To learn more about planned giving and how you can make a difference, please call the Foundation at 815.5002.

Giving Back

Bob Busch knows what a difference good health care can make. When his heart disease required cardiac by-pass surgery, he turned to NHRMC's Coastal Heart Center and later learned to change his lifestyle through its Cardiac Rehabilitation program. Today, he's giving something back. To show his thanks for the outstanding care he received, Bob began giving to the NHRMC Foundation.

Special Touches

When William R. Willis was discharged from New Hanover Regional Medical Center in July 2002, he had more than a new orthotic prosthesis for his recently amputated foot. He also had a month's supply of medications, new shoes and socks, a bus ticket home to South Carolina, food to eat on the 16-hour bus ride and some spending money — all courtesy of the Spiritual Care Fund.

Managed by the NHRMC Foundation, the fund provides for just such expenditures that significantly enhance a patient's life. A patient's health often depends on more than the treatment they receive at our medical center.

Your support makes special touches like this possible.
