Presentations and Publications 2001-2005

OB/GYN

Bass LA, Pasquarette MM. Pregnancy in rudimentary uterine horn. Presented at: Residents' Research Forum, 2002.

Bass LA. Anticoagulation protocols in pregnancy. Presented at: 16th Annual Obstetrics and Gynecology Resident Research Day, 2004.

Bass LA. Anticoagulation in pregnancy - an update. Presented at: 17th Annual Obstetrics & Gynecology Resident Research Day, 2005.

Bass L. Cardiovascular responses to increased insufflation pressure during gynecological laparoscopy. Presented at: Women's Health Research Forum, 2003.

Bock K.C., Joseph DB. Evaluation of wound healing with Tegaderm (occlusive) versus traditional wound dressings (non-occlusive). Presented at: Residents' Research Forum, 2002.

Bock KC, Hage ML. Hyperemesis gravidarum and H. pylori: Is there an association? Presented at: Residents' Research Forum, 2001.

Bruton AM. Congenital absence of Wharton's jelly in a chronic hypertensive. Presented at: Women's Health Research Forum, 2003.

Bruton AM. Adenocarcinoma of the cervix. Presented at: 16th Annual Obstetrics and Gynecology Resident Research Day, 2004.

Bruton AM. Total laparoscopic hysterectomy - to close from above or below - that's the question. Presented at: 17th Annual Obstetrics & Gynecology Resident Research Day, 2005.

Cunill E, DiZoglio B, Doss R, Fowler A. Detecting cervical dysplasia and cervical cancer. Presented at: 16th Annual Obstetrics & Gynecology Resident Research Day, 2004.

Cunill E, Kotwall CA, Turner J, Powell JL. Advanced pelvic actinomyosis infection mimicking malignancy. Presented at: 19th Annual Meeting Mid-Atlantic Gynecologic Oncology Society, 2004.

Cunill E. Medically necessary panniculectomy. Presented at: 17th Annual Obstetrics & Gynecology Resident Research Day, 2005.

Doss R. Detecting cervical cancer. Presented at: 17th Annual Obstetrics & Gynecology Resident Research Day, 2005.

Dulaney DP, Powell JL. The utility of frozen section diagnosis in cervical conization. Presented at: Residents' Research Forum, 200 Foiles AC, Diehl SJ, Pasquarette MM. Evaluation of the pipelle's ability to identify villus material in abnormal pregnancies. Presented at: Residents' Research Forum, 2001.

Foiles AC, Diehl SJ, Pasquarette MM. Evaluation of the pipelle's ability to identify villus material in abnormal pregnancies. Presented at: Residents' Research Forum, 2002.

Fowler A, DiZoglio B. Management of ovarian masses during pregnancy at NHRMC. Presented at: 17th Annual Obstetrics & Gynecology Resident Research Day, 2005.

Galvin SL, Diehl SJ, Stevens JC, Lin L, Cassell C, McDonough L. Diagnosing Depression and Anxiety in Pregnant Women in Ob/Gyn Residency Clinics. Presented at: 2004 APGO/CREOG Annual Meeting, 2004.

Gentry JK, Joseph DJ. Clinical experience using methotrexate in unruptured ectopic pregnancy: a retrospective review. Presented at: Residents' Research Forum, 2001.

Hage ML. Psychotropic drugs in pregnancy - high risk mothers - high risk babies. Presented at: Annual Perinatal-Neonatal Symposium, 2002.

Hage ML. PRN - Perinatal Regional Networks. Presented at: Resident's Research Forum, 2002.

Henry HR. Prevalence of renal dysfunction among women diagnosed with PCOS. Presented at: Women's Health Research Forum, 2003.

Henry HR. Prevalence of renal dysfunction among women diagnosed with polycystic ovarian syndrome. Presented at: 16th Annual Obstetrics & Gynecology Resident Research Day, 2004.

Henry H, Pasquarette MM. Prevalence of renal dysfunction among women diagnosed with PCOS. Presented at: Residents' Research Forum, 2002.

Hill KA. Predictive value of preoperative serum CA-125 levels in endometrial cancer. Presented at: Women's Health Research Forum, 2003.

Hill KA. Preoperative serum CA-125 levels in treating endometrial cancer. Presented at: 16th Annual Obstetrics & Gynecology Resident Research Day, 2004.

Hilton JL. Indications and outcomes for uterine artery balloon embolization in patients at risk for Cesarean hysterectomies. Presented at: 16th Annual Obstetrics & Gynecology Resident Research Day, 2004.

Hilton JL. Uterine artery balloon use with cesarean hysterectomy. Presented at: 17th Annual Obstetrics & Gynecology Resident Research Day, 2005.

Johnson AF. LEEP effect on subsequent pregnancy. Presented at: 17th Annual Obstetrics & Gynecology Resident Research Day, 2005.

Kasperek DK, Hage ML, Diehl SJ. Vaginal birth after cesarean delivery: Evidence, policy and practice. Presented at: Residents' Research Forum, 2001.

Kasperek DK, Diehl SJ, Hage ML. Vaginal birth after cesarean delivery: Evidence, policy and practice. Presented at: NC Obstetrical and Gynecological Society Annual Meeting, 2001.

Koehler M, Rabinowitz T, Hirdes J, et al. Measuring depression in nursing home residents with the MDS and GDS: an observational psychometric study. *BMC Geriatrics*, 2005.

Lohan KA, Hage ML. Hyperemesis gravidarum and infection with *helicobacter pylori*: is there an association? Presented at: Residents' Research Forum, 2002.

McCarthy A. Holoprosencephaly associated with diabetes and hypertriglyceridemia. Presented at: Women's Health Research Forum, 2003.

McCarthy A. Third stage of labor. Presented at: 16th Annual Obstetrics & Gynecology Resident Research Day, 2004.

Moncla PR, Powell JL, Hage ML. Interobserver variability in colposcopy evaluation. Presented at: Residents' Research Forum, 2001.

Moncla PR, Powell JL, Hage ML. Interobserver variability in colposcopy evaluation. Presented at: Residents' Research Forum, 2002.

Omaste J.E. Diagnosis of Placenta Accreta Using biochemical markers in a patient with Placenta Accreta and Cornual Ectopic Pregnancy. Presented at: Women's Health Research Forum, 2003.

Omaste J.E. Preoperative Vioxx and postoperative pain relief following total abdominal hysterectomy. Presented at: 16th Annual Obstetrics & Gynecology Resident Research Day, 2004.

*Gynecologic Oncology*, 2005.

Powell J, Cunill E, Kotwall C, Turner J, McKinney CD. Advanced Pelvic Actinomycosis Infection Mimicking Malignancy. *Pelvic Medicine & Surgery*, 2005.

Powell JL. The Burch procedure. *Journal of Pelvic Surgery*, 2001.

Powell JL. Powell's pearls of the week: Ludwig Bandl and Bandl's Ring. *ACOG Clinical Review*, 2001.

Powell JL. Harrington spring shank retractors. *Journal of Pelvic Surgery*, 2001.

Powell JL. Gilliam's uterine suspension. *Journal of Pelvic Surgery*, 2001.

Powell JL. Friedrich Trendelenburg (1844-1924) the Trendelenburg position. *Journal of Pelvic Surgery*, 2001.

Powell JL. John Blair Deaver, MD (1855-1931). Journal of Pelvic Surgery, 2001.

Powell JL. John Cheyne and William Stokes: Periodic respirations. Journal of Pelvic Surgery, 2001.

Powell JL. The Uchida sterilization techniques. Journal of Pelvic Surgery, 2001.

Powell JL, Connor GP, Henderson GS. Androgen-producing, atypically proliferating endometrioid tumor arising in endometriosis. Southern Medical Journal, 2001.

Powell JL, Connor GP, Henderson GS. Management of recurrent juvenile granulosa cell tumor of the ovary. Gynecologic Oncology, 2001.

Powell JL. Williams Obstetrics: John Whitridge Williams, MD (1866-1931). Journal of Pelvic Surgery, 2001.

Powell JL. The Kerr incision. Journal of Pelvic Surgery, 2001.

Powell JL. Anecdotes on appendicitis: Charles McBurney, MD (1845-1913). Journal of Pelvic Surgery, 2001.

Powell JL, Gentry JK. Vaginal evisceration. Journal of Pelvic Surgery, 2001.

Powell JL, Dulaney DP, Diehl SJ, Henderson GS. The utility of frozen section diagnosis with cervical conization before planned hysterectomy. Journal of Gynecologic Surgery, 2002.

Powell JL. Charles Bingham Penrose, MD (1862-1925). Journal of Pelvic Surgery, 2002.

Powell JL. James C. Masson, MD. Journal of Pelvic Surgery, 2002.

Powell JL. Furthering the profession: The early years of the American Gynecological Club and its first European tours (Letter to the editor). Obstetrics & Gynecology, 2002.

Powell JL. Historical Perspectives: Alexander Brunschwig (1901-1969). Journal of Pelvic Surgery, 2002.

Powell JL. Powell's pearls of the week: anecdote on appendicitis: Charles McBurney, MD (1845-1913). American College of Obstetricians and Gynecologist (ACOG) Clinical Review, 2002.

Powell JL. Metastatic endocervical adenocarcinoma presenting as a virilizing ovarian mass during pregnancy. Obstetrics & Gynecology, 2002.

Powell JL, Ross SC, Henderson GS. Radical hysterectomy and pelvic lymphadenectomy at a community teaching hospital. Journal of Gynecologic Surgery, 2003.

Powell JL. Extrammary Paget's Disease (Letter to the Editor). Journal of the American College of Surgery, 2003.

Powell JL, Payne J, Meyer CL, Moncla PR. Gastric Necrosis Associated with Acute Gastric Dilatation and Small Bowel Obstruction. Gynecologic Oncology, 2003.

Powell JL, Ross SC, Henderson GS, Neal C.R. Desmoid tumors of the pelvis and abdominal wall. Journal of Pelvic Medicine & Surgery, 2003.

Powell JL, Meyerson MB. Vaginal evisceration after abdominal hysterectomy and vaginal brachytherapy. Journal of Pelvic Medicine & Surgery, 2003.

Powell JL, Stinson JA, Connor GP, Shiro BS, Mattison M. Squamous Cell Carcinoma Arising in a Dermoid Cyst of the Ovary. Gynecologic Oncology, 2003.

Powell JL, Stevens JC, Shiro BC. Recurrent pelvic intravenous leiomyomatosis after vaginal hysterectomy. Journal of Gynecologic Surgery, 2003.

Powell JL. Powell's Pearls - Who's Who in the World of Surgical Instruments. Presented at: Mid-Atlantic Gynecologic Oncology Society 18th Annual Meeting at Duke University Medical Center, 2003.

Powell JL. Laser Safety in the O.R. Presented at: New Hanover Regional Medical Center, 2003.

Powell JL. Commenting on "Vulvar Langerhans Cell Histiocytosis: A Case Report and Review of the Literature" by Santillan et al. 91:241-246. Gynecologic Oncology, 2004.

Powell JL. Biographic Sketch: Powell's Pearls: Walter Schiller, MD (1887-1960). Obstetrical and Gynecological Survey, 2004.

Powell JL. Giant Fibroids. Journal American College of Surgeons, 2004.

Powell JL, Hill KA, Shiro BC, Diehl SJ. Preoperative serum CA-125 levels in treating endometrial cancer. Presented at: 19th Annual Meeting Mid-Atlantic Gynecologic Oncology Society, 2004.

Powell JL. Giant Fibroids (Letter to the Editor). J Am Coll Surg, 2004.

Powell JL. Powell's Pearls: Walter Schiller, MD (1887-1960). Obstetrical and Gynecological Survey, 2004.

Powell JL. Powell's pearls: Hans Peter Hinselmann, M.D. (1884-1959). Obstetrical and Gynecological Survey, 2004.

Powell JL, Hill KA, Shiro BC, Diehl SJ, Gajewski WH. Preoperative Serum CA-125 Levels in Treating Endometrial Cancer. Journal of Reproductive Medicine, 2005.

Powell JL. Powell's Pearls William Francis Victor Bonney, MD (1872-1953). Obstetrical and Gynecological Survey, 2005.

Powell JL. Advanced pelvic actinomyosis infection mimicking malignancy (Abstract). Presented at: 19th Annual Meeting Mid-Atlantic Gynecologic Oncology Society, 2005.

Powell JL. "Medically necessary" panniculectomy is an integral part of pelvic surgery in obese patients. Presented at: Annual Meeting North Carolina Obstetrical and Gynecological Society, 2005.

Price JL, Wright LN. Acute fatty liver of pregnancy. Presented at: Residents' Research Forum, 2002.

Price JL. Management of PPRM: Induction of labor at 34 vs. 35 weeks, a comparative study. Presented at: Women's Health Research Forum, 2003.

Ross SC, Wright L. Efficacy of octylcyanoacrylate tissue adhesive for closure of postpartum sterilization incisions. Presented at: Residents' Research Forum, 2001.

Ross SC, Wright LN. Efficacy of octylcyanoacrylate tissue adhesive for the closure of postpartum sterilization incisions. Presented at: Residents' Research Forum, 2002.

Ross SC. Efficacy of Octylcyanoacrylate tissue adhesive for closure of laparoscopic and sterilization incisions. Presented at: Women's Health Research Forum, 2003.

Stevens JC, Hage ML. Diagnosing depression and anxiety in obstetrical patients seeking prenatal care in OB/Gyn residency program clinics. Presented at: Residents' Research Forum, 2002.

Stevens JC. Diagnosing depression and anxiety in obstetrical patients seeking prenatal care in OB/GYN residency program clinics. Presented at: Women's Health Research Forum, 2003.

Stevens JC. Diagnosing depression and anxiety in obstetrical patients seeking prenatal care in OB/GYN residency program clinics. Presented at: 16th Annual Obstetrics & Gynecology Residents Research Day, 2004.

Stevens JC, Diehl S. Ob/Gyn Residents as primary care providers: Implementing a new curriculum for diagnosing and treating depression and anxiety. Primary Care Update for OB/GYN, 2003.

Stinson J. Necrotizing fasciitis. Presented at: 17th Annual Obstetrics & Gynecology Resident Research Day, 2005.

Stinson JA. Severe hyperlipidemia complicating diabetes mellitus. Presented at: Residents' Research Forum, 2002.

Stinson JA. The combination of Metformin and OCP's in the treatment of polycystic ovarian disease. Presented at: Women's Health Research Forum, 2003.

Stinson JA. Case series of necrotizing fasciitis in women. Presented at: 16th Annual Obstetrics & Gynecology Resident Research Day, 2004.

Stinson JA, Powell JL. A case series of necrotizing fasciitis in women at a community teaching hospital. Presented at: 19th Annual Meeting Mid-Atlantic Gynecologic Oncology Society, 2004.

Umana O. Symphysiotomy: Should it be taught in medical schools in developing countries? Presented at: Women's Health Research Forum, 2003.

Umana O. Is early onset preeclampsia a different disease than preeclampsia at term? Presented at: 16th Annual Obstetrics & Gynecology Resident Research Day, 2004.

Umana O. Is early onset preeclampsia a different disease than preeclampsia at term? Presented at: 17th Annual Obstetrics & Gynecology Resident Research Day, 2005.

Wahls NK, Powell JL. Adnexal masses in pregnancy: Incidence and outcomes. Presented at: Residents' Research Forum, 2001.

Welch MK, Diehl SJ, Pasquarette MM. Effect of menstrual history & hormonal use on bone mineral density. Presented at: Residents' Research Forum, 2001.

Welch MK, Diehl SJ, Pasquarette MM. Effect of menstrual history & hormonal use on bone mineral density. Presented at: Residents' Research Forum, 2002.

Welch MK, Diehl SJ, Pasquarette MM. Effect of menstrual history & hormonal use on bone mineral density. Presented at: American College of Obstetricians and Gynecologists' 50th Annual Clinical Meeting, 2002.

Wilson J. Bringing It Together: Serving the Mental Health Needs of Prenatal and Postpartum Patients. Presented at: Sixth Annual Students Research Forum, 2003.

Young SL, Hage ML, Li J. Another case of excessive caffeine and hypokalemia in pregnancy. Obstetrics & Gynecology, 2001.
