Volunteer Services Mission Statement:

New Hanover Health Network Volunteer Services Department will seek to provide quality supplemental services, consistent with current needs and available resources.

Care
Enough to Make A
Difference

Be A Volunteer!

New Hanover Health Network has more than 800 volunteers serving in over 35 areas.

Do you have a few extra hours? Come volunteer with us! As a volunteer, you become part of the **team** of quality health care providers.

We will interview you, and together we will find an area that is suited to your interests. An orientation class and training will be provided for your comfort and convenience before working within New Hanover Health Network.

Your volunteer contributions are immeasurable. We cannot give our patients and visitors the **“gift of time”** without your help. That wonderful inner feeling of doing for others is one that money cannot buy.

At New Hanover Health Network, we know the importance of our patients and families receiving **personal care**.

Our **volunteer areas** include:

- Information Desks
- Gift Shops
- Hospitality House
- Courtesy Van
- Radiology
- Coastal Rehab
- Zimmer Cancer Center

Volunteer opportunities vary and include both staff support and direct patient care.

Volunteer service opportunities are available at these New Hanover Health Network locations:

- Cape Fear Hospital
- Coastal Rehab Services
- Hospitality House
- Medical Mall
- New Hanover Regional Medical Center

Please give us a call if you can offer a few hours a week to enhance the **quality of life** for others.

We welcome adults of all ages, college students, retirees, and teenagers age 14 years and up.
