

TAKE A BREAK. STAY SAFE.

Help stop the spread of COVID-19.

Before eating or drinking while at work, or gathering in common areas:

- Keep a distance of 6 feet

- If needing to remove your face mask, do so by touching the ear loops only. Wrap mask in a paper towel, or place in a paper bag, when not in use

- Do not pull your mask around your neck to eat or drink

- Perform hand hygiene prior to eating or drinking

- Put mask back on by touching the ear loops only

- Perform hand hygiene before getting back to work

*** People can spread the virus before they know they are sick. Follow these steps to help keep you and your coworkers safe.**
