

Important Notice from New Hanover Regional Medical Center About Your Prescription Drug Coverage and Medicare

Prescription Drug Coverage and Medicare Part D – Creditable Coverage Notice

This Creditable Coverage Notice Applies To:

The Group Medical Plans of New Hanover Regional Medical Center (NHRMC), NHRMC Physician Group and Pender Memorial Hospital and to you or your dependents if you are enrolled or will be enrolled in one of the Coverage Options of the plan, and are also eligible for Medicare Part D prescription drug coverage.

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with NHRMC and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

- 1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.**
- 2. NHRMC has determined that the prescription drug coverage offered by the group Medical Plans is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.**

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current NHRMC coverage will not be affected. Your current coverage under the Medical Plan pays for other health expenses, in addition to prescription drugs, and you will still be eligible to receive all of your current health and prescription drug benefits if you choose to enroll in a Medicare Part D prescription drug plan. For more information about the prescription drug coverage that is available to you in your medical plan coverage option, visit the <https://www.nhrmc.org/employees/benefits/health-benefits/medical/medical-plan-descriptions>.

If you do decide to join a Medicare drug plan and drop your current NHRMC coverage, be aware that you and your dependents may not be able to get this coverage back. You should compare your current coverage, including which drugs are covered, with the coverage and cost of the Medicare Part D prescription drug plans that are offered in your area.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with NHRMC and don't join a Medicare drug

plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

If you have questions about your current prescription drug coverage under your medical plan or would like a paper copy of this notice, you may call a member of the HR-Benefits Team at 910-667-6000.

NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through NHRMC changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.
