

**New Hanover Regional Medical Center
Junior Volunteer
TB/PPD Skin Test and Annual Flu Vaccine
PERMISSION FORM**

I, _____ (parent/guardian) give _____
(name of prospective junior volunteer) permission to receive the following from the New Hanover
Regional Medical Center's Employee Health Services & Clinic:
(Please check each box to indicate permission)

- TB skin test**
- Flu Vaccine (when required by NHRMC)**

Parent/Guardian Signature: _____

Keep this form and bring to your appointment at Employee Health Services.
Employee Health Services does not administer the TB skin tests on Thursdays.

Date: _____

DOB: _____

Social Security Number: _____

Employee Health Services requires a social security number to process paperwork.

No one under 18 years of age will be given a TB/PPD skin test or a Flu vaccination without authorization.
Call Employee Health Services to schedule an appointment or drop in during business hours. Please
remember that you need to return back to the Employee Health Services Clinic within 48-72 hours to
have your TB skin test read. Once you receive the completed negative TB skin test documentation
(pink form) return it to the Volunteer Services office in the Rehab Hospital.
The Annual Flu Vaccine documentation (yellow form) will also need returned to the Vol Office.

Volunteers will not be allowed to train/volunteer until a negative test result is given on the TB/PPD skin
test and the documented results are sent to the Volunteer Services Office. Volunteers will also be
ineligible to volunteer during flu season unless documentation is provided to Employee Health Services.
