Dear Pender Memorial Hospital,

Thank you for utilizing AirLink/VitaLink for your transport needs. If you have additional needs or changes in patient condition to report please contact Regional Communications at 1-800-282-LINK (5465). Please understand that with STEMI patients it is our goal to have a bedside time of 10 minutes or less. We greatly appreciate anything you can do to help us achieve our goal. Click the button below to print the required forms for the type of patient and transport that you have selected and again thank you for utilizing AirLink/VitaLink.

Physician Certification Statement for Medical Transport

Complete for non-emergency scheduled and non-emergency unscheduled ambulance transport(s)

SECTION I - GENERAL INFORMATION

Patient's Name: ______________________________________ Return to prior arrangement: _____________ New Placement:_______________

Initial Transport Date: ___________________ Repetitive Transport Expiration Date (Max 60 Days From Date Signed): ____________________

Origin: ___________________________________________________ Destination: ___________________________________________________

SECTION II - MEDICAL NECESSITY QUESTIONNAIRE

Non-emergency transportation by ambulance is appropriate if either: the beneficiary is bed confined, and it is documented that the beneficiary's condition is such that other methods of transport are contraindicated; OR, if his or her medical condition, regardless of bed confinement, is such that transportation by ambulance is medically required. (Bed confinement is not the sole criterion.)

To be "bed confined" the patient must be: (1) unable to get up from bed without assistance; AND (2) unable to ambulate; AND (3) unable to sit in a chair or wheelchair (Note: All three of the above conditions must be met in order for the patient to qualify as bed confined)

1) Is this patient "bed confined" as defined above? ☐ Yes ☐ No

2) Describe the Medical CONDITION of this patient AT THE TIME OF AMBULANCE TRANSPORT that requires the patient to be transported on a stretcher in an ambulance and why transport by other means is contraindicated by the patient's condition:

________________________________________________________________________________________________________________

3) Can this patient safely be transported in a wheelchair van (i.e., seated for the duration of the transport, and without a medical attendant?) ☐ Yes ☐ No

4) In addition to completing questions 1-3 above, please check any of the following conditions that apply*: *Note: supporting documentation for any boxes checked must be maintained in the patient's medical records

☐ Advanced airway maintenance required ☐ Cardiac/hemodynamic monitoring required
☐ Confused, combative, lethargic, or comatose ☐ Contractures
☐ Danger to self/others or flight risk ☐ Decubitus ulcers on buttocks, Grade II or greater
☐ DVT requires elevation of a lower extremity ☐ Isolation/special handling required
☐ IV meds/fluids required ☐ Maximum assistance required for transfers (2 or more)
☐ Moderate/severe pain on movement ☐ Non-healed fractures (pelvis, spine, hip)
☐ Morbid obesity requires additional ☐ Orthopedic device requiring special handling during personnel/equipment to safely handle patient transport (backboard, halo, use of pins in traction, etc.)
☐ Third party assistance required to apply, administer or regulate or adjust oxygen en route (RARE) ☐ Unable to maintain erect sitting position in a chair for time needed for transport
☐ Other:__________________________________________

SECTION III - SIGNATURE OF PHYSICIAN OR HEALTHCARE PROFESSIONAL

I certify that the above information is true and correct based on my evaluation of this patient, and represent that the patient requires transport by ambulance due to the reasons documented on this form. I understand that this information will be used by the Centers for Medicare and Medicaid Services (CMS) to support the determination of medical necessity for ambulance services, and that I have personal knowledge of the patient's condition at the time of transport.

MD*/Healthcare Professional Signature ______________________________________ ☐ MD ☐ PA ☐ NP ☐ RN** ☐ CNS** (check appropriate title)

Printed name ______________________________________ Date _________________ Time _________________

*Form must be signed only by patient's attending physician for scheduled, repetitive transports.

**RN or CNS signature must be accompanied by a physician order specifying ambulance transport.

FAX completed form to 815-5005. Call 815-5155 to verify receipt of FAX.

A completed, signed PCS must be available to Regional Communications (Dispatch) before an ambulance is dispatched.
